## **Youth Evangelistic Rally 21-25 October 2021, R. Moldova**

Over 200 young people attending, most of them unbelievers.  
We are so thankful for having many that received Christ.

## **Couple's Conference; 27 October - 1 November 2021**

### **UKRAINE - THE ACTIVE WAR ZONE**

Ever since I visited that area for the first time , we had the desire to do something for the pastors' families that are serving in that area. Over 10,000 people have been killed and over 23,000 wounded since the conflict started. These pastors and their families are faithfully serving the Lord, their churches, and their countrymen in very dangerous times. We rented a beautiful facility in the middle of the forest where the couples could get away, relax, eat well, spend time with each other, fellowship with other couples, and receive encouragement from the Word of God for their marriages. All of the participants were amazed and excited over how nice everything was. We had a wonderful time investing in the lives, ministries, and marriages of these choice servants of God.

# ONCE AGAIN IN UKRAINE, ONCE AGAIN IN MOLDOVA AND ON TO GERMANY

The rest of the month of November, each weekend was dedicated to another country. From 5-8 November, we were in the area of Chernivtsi, Ukraine where we have preached in some Romanian churches in the area. The following weekend, 10-14 November we were in the Southern part of Moldova where we had evangelistic services in 4 villages. Next weekend on to Germany, where we had evangelistic services in two cities. Last Sunday of November we have had an evangelistic service in our home church, in Brasov.

It was a hectic month, but we are rejoicing for every soul that confessed Christ as Lord and Savior.

## Family news

Laura is working part-time as cosmetician. This is a great answer to prayers because now she is able to travel some with me.

Kasia, our daughter is back home, after being in the Netherlands for about 4 months as a volunteer in a Christian school.

Elvin, our son was able to be with us during the month of December. He is back in the USA where he is continuing his university studies.

## Prayer requests

1. Laura and I will be travelling to Tbilisi, Georgia and Yerevan, Armenia from 18 to 25 January 2022, for a conference and prospecting new mission fields;
2. Each month I am still travelling to Lahr, Germany. The work there is going well.
3. From 16–20 March 2022, the Annual MMEE International Conference in Hungary. After 2 years of "pause", the conference is very important. Pray that the budget will be met – still needing 3, 000 USD.
4. First week of May – medical–evangelistic mission to Moldova
